*Review Highlights - A "wow in all aspects", this "transcendent", "romantic" Rutherford BYO "hidden" behind a wine shop (where you can purchase le vin) "dazzles and delights" with its seasonally inspired Eclectic cuisine offered in grazing portions (aka 'Matisse Plates') that come in three, four or five courses... a "consistently attentive" staff, "tastefully appointed" interior (with handblown Murano glass chandeliers) and "plush" outdoor dining complete this "outstanding" oeuvre.*
